

Parents, Childcare & Employment (PACE)

The aim of the project is to support economically inactive parents across Ceredigion into education, training and employment, where childcare is their main barrier.

We will engage with customers on a **voluntary** basis to establish realistic and achievable goals to improve skills, tackle low confidence / self-esteem, whilst looking to overcome any barriers they may have enabling them to move closer to sustainable employment.

Eligible clients:

Lone Parents, on Income Support and Employment Support Allowance
Parents in workless households on Employment Support Allowance
Parents in workless households on Jobseeker's Allowance (**aged 16 to 24 years only**)
Coupled Parent where only one parent works.

Parents on Jobseeker's Allowance aged 25+ years and participants of the Government's Work Programme **are not eligible**

On-going support

Customers will be given one to one support in variety of areas, helping them to remove any barriers and support their search for employment.

- In work "Better Off" calculations
- Help to get on-line
